LADIES AND KNIGHTS

THEME

Love in the First Degree

I once thought of love as a prison
A place I didn't want to be
So long ago I made a decision
To be footloose and fancy free.

But you came and I was so tempted
To gamble on love just one time
I never thought that I would get caught
It seemed like the perfect crime.

I thought it would be so simple
Like a thousand times before
I'd take what I wanted and just walk away
But I never made it to the door

Now Babe, I'm not beggin' for mercy
Go ahead and throw the book at me.
If loving you's a crime, I know that I'm
As guilty as a man can be.

CHORUS:
Baby, you left me defenseless
Now I've only got one plea
Lock me away inside of your love
and throw away the key
Cause I'm guilty of love in the first degree.

[Sweet Dreams]

*This is the time when you need a friend, just need someone near.
I'm not looking forward to the night I'll spend thinking of you when you're not here.*

How many times will I think about the things I'd like to do?

Always denied the right to live my life the way I want, I want to share it with you.

Close your eyes I want to ride the skies in my sweet dreams.

Close your eyes I want to see you tonight in my sweet dreams.

I think of your kiss as the days roll by, and I write the words you love.

And what I can't say in a letter will just have to wait 'til I get home.

There's not much time to tell you half of the things that I should.

Only that I'm so glad I fell in love with you, and I'd do it again if I could.

Sleep like a child resting deep. You don't know what you give to me, I keep for these moments alone.

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we do it all for you."

BANK OF AMERICAN FORK

We at the Bank of American Fork are proud of the fine young people who make up the student-body at Lehi High School. They will be our leaders tomorrow. We cordially invite them to visit often with our friendly counselors and take advantage of our help in planning a firm financial footing on which to build their bright years ahead.
